STAFF'S MOTION FOR A  
PROCEDURAL ORDER  
DIRECTING A *NUNC PRO TUNC*  
ADMINISTRATIVE CORRECTION  
OF DECISION NO. 70384

On June 13, 2008, The Arizona Corporation Commission ("Commission") issued Decision No. 70384 in the above-captioned matters.

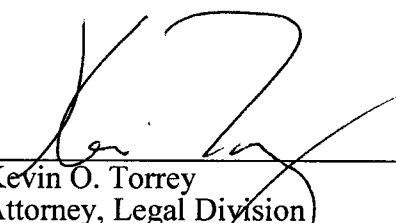

Staff has recently become aware of an administrative error within the Decision.

Within the Findings of Fact section of the Decision, on page 6, at approximately line 23, the Decision references the Service Line Charge for a 6" Meter, showing a charge of "1,730.00". However, within the ordering paragraphs, on page 14, again at approximately line 23, the same Service Line Charge for the 6" Meter is listed as "1,173.00". Within this context, it is readily apparent that the amount appearing within the ordering paragraph is simply a typographical error, with the initial number "1" having been input twice.

Under these circumstances, Staff believes that it is appropriate for the Commission Hearing Division to issue a *Nunc Pro Tunc* Procedural Order directing that the Decision be modified to correct this clerical error.

1 WHEREFORE, Staff respectfully requests that the Hearing Division issue a *Nunc Pro Tunc*  
2 Procedural Order directing that Decision No. 70384 be administratively corrected such that on page  
3 14, line 23, the amount reflected for the Service Line Charge for a 6" Meter will be "1,730.00".

4 RESPECTFULLY SUBMITTED this 27<sup>th</sup> day of August, 2009.
